## EXPERIENCE

---

### Production Engineer

2019 - 2021

Galeb signalizacija | Belgrade/ Batajnicki drum 23

I was in charge of the Point machines development department. My job consisted of monitoring development of point machines, measuring all the operational parameters, teaching junior colleagues and presenting devices to the customers.

#### Key Accomplishments:

- Solved a problem with a drive plate by carefully studying the documentation , saving the company time and money in the process.

## EDUCATION

---

Visoka železnička škola | Bachelor of Electrical engineering and computer science

2019

- GPA: 7,66/10
- Honorary drawing in AutoCAD and hand drawing electrical and machine elements.
